

St Andrew's Church School Home Learning Menu Week 8 (week beginning Monday 1st June 2020)

Year Group 3

In line with government guidelines, your child's teacher has put together a selection of activities to provide a balance of learning during this period of closure. Please complete as many as possible and bring the outcomes into school when we re-open. If you can print this sheet and add a comment that would be helpful but not essential if you are not able to print. We are sympathetic to the fact that parents may have work commitments to balance with childcare and that this may place pressures on the time available to support you child with this. Please just do as much as is manageable.

Hello Year 3! We hope you have all had a lovely half term! Here are your lessons for the week. As always, have a go at what you can and don't worry if you don't finish it all. We will be back on Microsoft Teams next week and are looking forward to catching up with you all. Please ask us any questions big or small, we want to help you in your learning. We are missing you all!

Please find below a list of new resources available to you online which may be useful in supporting your child's learning this week;
The BBC have launched their new learning platform on BBC Bitesize recently; <https://www.bbc.co.uk/bitesize/dailylessons>
The government released their learning support package on: <https://www.thenational.academy/online-classroom>
As well as The Literacy Trust <https://literacytrust.org.uk/family-zone/>

English

Daily reading: Stick to a routine of reading once daily - more if you'd like!

Spellings: How many of your Year 3/4 spellings do you know now? Can you highlight all the ones that you can spell independently? Keep going with your 5 words a week.

Guided Reading/Writing: please open the document named: YEAR 3 ENGLISH WEEK 8 in Teams >FILES> YEAR 3 ENGLISH WEEK 8
This document contains further information about the activities outlined in the weekly plan below.

ENGLISH WEEKLY PLAN - Week 7 - The Tin Forest

MONDAY 1 st June	TUESDAY 2 nd June	WEDNESDAY 3 rd June	THURSDAY 4 th June	FRIDAY 5 th June
Guided Reading questions	Draw a picture of the old man's house	Guided Reading questions	Write a description of a jungle	Write a description of your own dream world

Maths

Times tables: Please practise your times tables on TTRockstars; try to go on for a few minutes each day!

Hit the button (<https://www.topmarks.co.uk/maths-games/hit-the-button>) is also good for building Maths fluency.

You're able to choose your level of challenge.

Mon- Fri Power Maths Lessons - please open the document named: YEAR 3 MATHS WEEK 8 in Teams >FILES> YEAR 3 MATHS WEEK 8

This document contains further information about the activities outlined in the weekly plan below.

MATHS WEEKLY PLAN - Week 8- Fractions

MONDAY 1 st June	TUESDAY 2 nd June	WEDNESDAY 3 rd June	THURSDAY 4 th June	FRIDAY 5 th June
Unit and non-unit fractions	Making the whole	Tenths (1)	Tenths (2)	Fractions as numbers

Parent comments:

May 4th - Jun 5th PROJECT WORK

Choose at least 3 tasks to complete each week.

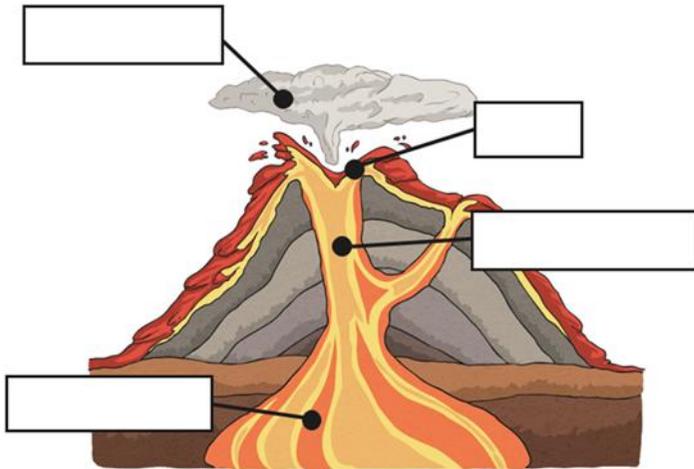

You can complete your work in your exercise book or bring your completed tasks in to share when school reopens.

TASK

DATE
COMPLETED

Geography

Learn about volcanoes. How is a volcano formed? Can you draw a diagram of a volcano and label the parts? What happens when a volcano erupts? <https://www.natgeokids.com/uk/discover/geography/physical-geography/volcano-facts/>

Geography

We have all been getting a little more familiar with our local area as we've not been able to go as far as we might usually. Can you create a map of a certain walk that you do with your family? You could add road names/landmarks to make it clear where you are. You could simply make a map of nature and show where the trees/hedges/streams are in your favourite spot. You could use a key to add detail.

History

On Friday 8th May, the nation will be celebrating VE day. What is VE day? How is it celebrated?

Create a flag, coin, poster or medal to mark the special occasion.

Could you make some red, white and blue bunting for your window?

Could you have a red, white and blue picnic at home?

Would Roald Dahl have celebrated the first VE day? Draw a picture of him in the style of Quentin Blake enjoying a street party.

<p><u>Arts and Crafts</u> Colouring/sketching/crafting can be very relaxing and calming - I showed you a Hama bead design last week that I had been working on. Think of someone close to you that you miss - could you create them a card with something 'crafty' inside and send it to them? They might even return the favour...</p>	
<p><u>Art and Design</u> Take an online tour of an art gallery. See the website below to find links to galleries and museums. https://www.edinburghnews.scotsman.com/whats-on/arts-and-entertainment/28-virtual-tours-kids-some-best-museum-zoo-and-art-gallery-tours-children-watch-online-2525247 Choose a piece of artwork you like/are interested in. See if you can find out more information about the artist that created it. Can you recreate the artwork yourself? You could choose to sketch/paint or model your chosen artwork or you could use objects/family members to recreate it and photograph it!</p>	
<p><u>P.E</u> Check out Mrs Davis' P.E challenges and use the links below to conduct your very own P.E sessions! Go Noodle - https://www.gonoodle.com/ BBC Super Movers- https://www.bbc.co.uk/teach/supermovers Cosmic Yoga - https://www.cosmickids.com/ Body Coach https://www.youtube.com/playlist?list=PLyCLOpd4VxBuxu3sLztrvWFehzv-LnR2c&safe=true</p>	
<p><u>PE</u> Bath Rugby Foundation have created a superhero workout. I've attached it to the Files in Year 3. Have a go! Can you set a personal best for yourself? Can you beat your personal best?</p>	
<p><u>British Sign Language</u> Learn to say 'How are you?' and 'I'm good thank you' using the British Sign Language alphabet. Use this video to help you: https://www.youtube.com/watch?v=N6U6FAPJw8k</p>	
<p><u>French</u> What can you discover about France? Create an information poster or a quiz on France. How big is it? How many people live there? Which countries are near to it? What is the capital? Does France have counties or regions like us?</p>	
<p><u>Science</u> Every day at 10.00am the Glasgow Science Centre will be posting videos and setting Science challenges. Ask your parent/carer to show you these videos using the Glasgow Science Centre Facebook, Instagram or Twitter pages. You can ask the Scientists questions and request videos using #GSCAtHome.</p>	

Music

In March we had a visit from Ollie as we were about to begin taking part in the 'Voices' project. He was helping us think of ways we could look after our world and we started thinking about lyrics for a song that would be aired on the radio. Can you make up a song/rap/poem to sing or recite about looking after our world?

Maybe you can think of a song that already has this message such as 'Beautiful World' by Louis Armstrong. Can you learn the words and perform the song to yourself in a mirror or a friend/relative using video messenger?

R.E

Would you like to write a thoughtful poem or create a piece of art for a competition? I have saved the details to the Year 3 Teams - Files area or you may follow this link (<https://www.natre.org.uk/about-natre/free-resources-for-you-and-your-pupils/key-stage-2/>) and go to Key Stage 2 - Resource 3.

Topic- Birds

Keep a look out for blackbirds, robins etc. in your garden or when you go outside for your daily exercise. Use the bird spotter guide to help you (attached in Files) and try this quiz. You could make a bird feeder to attract birds.

<https://www.woodlandtrust.org.uk/blog/2019/03/10-garden-birds/>

You will find a bird spotter poster in the files section for this week.

Community

We have been asked by the Bath and Wells Multi Academy Trust to collect pictures of you depicting your experience of remote learning during this lockdown period. Please can you post your pictures onto the Year 3 Teams page for Mrs Jayne to collect and pass on. Thank you.

Charity

Julian House have launched a challenge calendar. Have a look at the document which has been saved in our Y3 Files section on teams so you know what to do for each day in May! Mrs Jayne has already begun!
