The school is led and managed effectively	96%		1%	3%	
Overall, I am happy with my child's experience at this school	98%		1%	1%	

### **Positive feedback/comments:**

Loved choir with Mr Bowers

Mill on the Brue

P4C has been amazing

Mr H knows my child so well and he has enabled her to be herself and do the best that she can

The teaching has been absolutely fantastic. The activities away from the classroom have enriched classroom learning.

Excellent school! A very positive environment with an amazing group of teachers and support team. Overall brilliant!

My daughter enjoys St Andrew's very much. Thank you!

Amazing school! Talented caring teachers. Thanks for everything.  
XXXX is so happy to be back at St Andrew's. He has all the support he needs and when he comes home he is a very happy boy and shares what happened at school, telling lovely stories. He learned this year to express his feelings and he has benefitted from Speech Therapy at school. I am so proud of my little boy and extremely happy with all staff – you have made my son's year really special.  
The creative maths techniques have been very effective as have the trips outside school. Outstanding pastoral care and great creativity.  
Miss S is an outstanding teacher and has prepared my child with the skills needed to make the transition to secondary school. Thank you. Mrs J is brilliant.  
Thank you for all your hard work and encouragement. We will miss the school very much. XXXX has loved Year 2. He's really enjoyed Miss M as a teacher and particularly enjoyed learning about sea creatures and 'the magic beans' in literacy.  
An incredible school – one I am proud to say I have two boys in. Thank you so much for the incredible care you give to them.  
Thank you for taking a nervous little boy a year ago and giving me back my confident big boy. The move to this school a year ago was without doubt the best move we have ever made. Mrs B has been incredible and the amazing ethos of the school second to none. My son has had an incredible year. Thank you to all involved.  
They need a little more sports BUT St Andrew's is WONDERFUL!  
Thanks for including more sports these last few terms  
My daughter's reading as well as physical confidence have increased so much this year. It is a joy to watch her flourish at St Andrew's with her wonderful teachers.  
The School Office are always very helpful answering questions  
We are so pleased that we decided to move XXXX to St Andrew's this year. Although she still struggles at times, the help and support she has received has been fantastic and she seems to be gradually getting her confidence back. She is so much more settled and keen to come to school now. It is SO nice to see her coming out of school looking happy!  
The daily contact I have about my child is particularly good. Usually on a daily basis his TA writes in my son's diary so I am aware of his activities and this enables us to talk to him about his day at home.  
External activities, i.e. Brokers Wood and 'This Girl Can' have really helped my daughter's confidence. We feel confident in Mr H and that he knows XXXX well.  
My son liked this topics this year and loved School Without Walls.

**Areas for development:**

More detail around my child's progress would help us  
More PSHE in assembly  
More adults on the playground  
More assemblies/sessions about consent and staying safe  
Less paper/letters  
Healthier meals please x2  
Children are often late out after assembly x3  
There is often little notice for some events.  
This is difficult for working parents as I need more than a week's notice to attend.  
More warning about school events x3  
A plea for no homework over half terms, holidays and INSET days?  
It's nice to have a proper break from school! Thank you.  
Poor timekeeping/communication
