The school is led and managed effectively	80%	19%	1%		
Overall, I am happy with my child's experience at this school	80%	20%			

Feedback comments

Positives:

My child's class teacher has been excellent. The staff have been through a lot this year with the loss of Sue, but the school has done a great job looking after the children through the loss and still continued their education.

Thank you for finishing celebration assemblies on time this year.

St Andrew's makes so many accommodations as practically possible for a child with special needs. Always encouraging inclusion and celebrates all children's achievements. It is a lovely school where children are happy and thrive in all aspects of their development.

We love St Andrew's! We are so proud to be part of it.

Parent/Carer Survey July 2019

Thank you for all the effort of the teaching and management team.

My child has had a great year – we continue to greatly appreciate the balance between key subjects English/maths and more creative and ambitious ways of learning - School without Walls and STEAM day etc.

My son's development has been amazing this year and I am so grateful.

The caring and thoughtful support shown towards my child this year has been so lovely. We value the general and specific attitudes encouraged in her.

My child has really enjoyed her first year at St Andrew's – thank you so much.

We are so happy with our children progress, it has been so positive and she seems to be thriving.

Thanks for all the efforts of the school team.

We are overwhelmed by all that the school offers our child. This term has been fantastic filled with activities that go beyond anything we expected. Thank you for all the support and care.

We are so glad our children can have the opportunities to study in a caring and joyful environment. Big thanks to the school team.

Thank you for making my Child's experiences so great.

Areas to develop:

Communication could still be improved. If changes are made they should be communicated.

My only minor thing is more notice about known events. Maybe a calendar on the website?

For Nativity plays please can we have notice especially for costume making.

With regards to healthy lifestyles – we would like to see healthier school dinners – why do they have pudding every day – couldn't they be healthier and less packaging?
