

Wildflowers at the Royal Crescent

Sunday 10th October 10:30-12.30

Bath and North East Somerset Council is working in partnership with the Royal Crescent Lawn Company, The Royal Crescent Hotel and Bathscape to create a colourful and wildlife-friendly new meadow at the Ha-ha in Royal Victoria Park.

All we need is an army of volunteers to help sow thousands of seeds...

Where? Join us on the Royal Crescent lawn or at the base of the Ha-ha in Royal Victoria Park.

What Shall I Bring? Kids: please bring an adult with you. No experience necessary. All tools and seeds will be provided. Please wear stout footwear and gardening gloves if you have them.

Please note: that families with children under the age of 8 will need to volunteer at the base of the Ha-ha in Royal Victoria Park for safety reasons. For more information about the event please contact Parks@bathnes.gov.uk or call 01225 396879
