Dear Parent/Carer,

Thank you for expressing an interest in attending St Andrew's Church School Nursery. Please find enclosed an application form for you to complete and return to the school office.

Please find below information to guide you through the application process.

Are nursery class places full time or part time?

At St Andrew's Church School Nursery places are offered on a full time or part-time basis during term time only.

When can my child start and how much will the place cost?

Children can start at St Andrew's Church School Nursery after their third birthday. From the date of their third birthday until the 3- and 4-year-old funding starts (the term after they turn three) the following funding options are available for families who are eligible: -

- **2-year-old funding** - 15 funded hours per week for 38 weeks per year - if eligible for families on low income, looked after/adopted children, children with SEN or DLA. A funding code is required from the Local Authority. <https://parent.bathnes.gov.uk/web/portal/pages/home>
- **2-year-old funding for working families** - 15 funded hours per week for 38 weeks per year- if eligible a funding code is required from HMRC and must be obtained the term before it is to be used – by 31 August to be used from 1 September. <https://www.childcarechoices.gov.uk/>
- If not eligible for the above, the place can be on a paid for basis.

From the term after the child's third birthday (1 September, 1 January, 1 April) the following options become available for families who are eligible: -

- **3 and 4 year old funding** - 15 funded hours per week for 38 weeks per year (universal entitlement). All children are entitled to this.
- **3 and 4 year old funding for working families** - 30 funded hours per week for 38 weeks per year (extended entitlement) if eligible a funding code is required from HMRC and must be obtained the term before it is to be used – by 31 August to be used from 1 September. <https://www.childcarechoices.gov.uk/>

Lunchtime is included in the daily routine for a full day or an afternoon session. Any child attending a full day or an afternoon session will need to book and pay for a school meal on Parentpay or bring a packed lunch in from home.

Additional regular sessions over and above the early year's entitlement can also be on a paid for basis and are charged at £16.25 per session, £32.50 for the full day. All payments are to be paid termly in advance on ParentPay and are non-refundable in any event. Please refer to St Andrew's Church School Nursery Charging Policy for further details.

How are nursery class places allocated?

Where there are more applications than places available, places will be offered in line with the priority order below.

- Children Looked After – Children who are in the care of a Local Authority or have previously been and are now formally adopted or subject to a residence/child arrangement order or special guardianship order. Children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- Children in receipt of funding for additional educational needs.
- Children who, at the time of application, have a sibling attending St Andrew's Church School.
- Children who live within the City of Bath and the family are 'practising' members of any Church.
- Children living closest to the school, as measured in a direct line.

You do not have to apply to a Nursery nearest to where you live, but you do have the best chance of being offered a place there. The distance you live from the Nursery is also considered if the nursery class is over subscribed.

Attendance at a school Nursery does not guarantee a place at the school when early year's education is completed. You will still need to apply for a reception school place through the Local Authorities school's admissions procedure for entry into the reception class.

Please fill in the enclosed forms, indicating when you would like your child to start and then tick your preference for sessions. All sessions are allocated for the whole school year and will only be able to be changed at the beginning of terms 3 and 5 by returning a completed amendment form to the school office. This, of course, will be dependent on space available.

We look forward to receiving the completed application form together with a copy of your child's birth certificate.

Thank you for choosing St Andrew's Nursery.

Yours sincerely
